2026-27

WEEA SPONSORSHIP LEVELS

WEEA Water Energy Education Alliance

Educate. Empower. Employ.

WATER ENERGY EDUCATION ALLIANCE

All sponsors receive recognition throughout the year and an annual report highlighting WEEA's progress and impact. Sponsorships cover July 2026–June 2027.

VISIONARY PARTNER $20,000

Includes all prior benefits, plus premier brand visibility, featured speaking opportunities, customized workforce engagement, and opportunities to support or co-create high-impact student experiences.

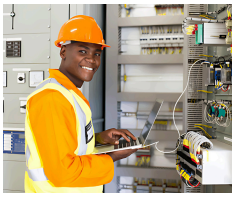
CATALYST PARTNER $10,000

Includes all prior benefits, plus enhanced brand visibility, select speaking opportunities, and meaningful engagement with students, educators, and workforce leaders.

TRANSFORMATION PARTNER $5,000

Includes all Advocate benefits, plus prominent brand visibility, select media highlights, priority invitations to WEEA activities, and opportunities to inform Leadership Roundtable conversations.

ADVOCATE PARTNER $2,500



Logo recognition across WEEA digital and event materials, select social media visibility, and sponsor recognition in WEEA communications.

BECOME A WEEA SPONSOR & SUPPORT THE WORKFORCE THAT SUPPORTS CALIFORNIA.

WEEA connects education and industry to help build California's next generation of water and energy professionals. Administered and led by the Municipal Water District of Orange County (MWDOC), our statewide coalition of more than 300 participating organizations brings educators, workforce partners, and employers together to turn career awareness into real pathways and workforce solutions.

Through career exploration, industry engagement, pilot programs, and workforce research, WEEA helps students see what is possible while helping employers build stronger connections to the talent they will need next. Our work supports recruitment, retention, succession planning, and a more prepared, capable workforce.

Your sponsorship makes these connections possible. Together, we can introduce students to meaningful, well-paying careers, strengthen the talent pipeline, and help ensure California's essential water and energy workforce is ready for what comes next.

THANK YOU FOR SPONSORING WEEA!

Thank you for investing in California's future workforce. Your WEEA sponsorship helps students discover meaningful, well-paying careers, connects education to real workforce needs, and gives employers new ways to engage the next generation of talent. Together, we are building the people and pathways that will keep California's essential water and energy services strong for generations.
